Your Complete Guide to Early Retirement - Sandy Baker 2007

Tired of commuting? Fed up with your boss? Bored with your job? There is a solution: Start living and doing what you want to do. Lie in a hammock or on a beach, swing your golf club, or hit the open road. Get control of your life, become financially independent, and RETIRE EARLY. If you want to retire early - before age 65 - you are not alone. In a survey of workers ages 30 to 50, more than half plan to retire at 60 or younger and only 6 percent plan to work past 65. There are three things you need to do to retire early: 1) Manage your expenses and reduce or eliminate debt, 2) accumulate capital, and 3) save and invest wisely. It is easy, but requires patience and self-control, and with the guidance of this new book you will be on your way to achieving this goal. You will learn how to take control of your life, set realistic long-term goals, choose appropriate lifestyle trade-offs, and learn effective savings techniques and simple investing strategies. You will learn how to calculate how much you need to retire early, get the most from your investment portfolio, reduce your taxes, use retirement planning tools, increase your income while retired, reduce living expenses, deal with inflation and deflation, and calculate social security and pension payments. This book will be your road map to turn the dream of early retirement into reality.

Your Complete Guide to Breast Augmentation and Body Contouring-Thomas McNemar 2006-04 If you’re among the women who feel your breasts are too small, perhaps you're considering breast augmentation. It is one of the most popular cosmetic surgery procedures performed today, and women who have the procedure report high rates of satisfaction with it. The surgery gives them greater confidence, affecting the way they interact with others. The authors of "Your Complete Guide to Breast Augmentation & Body Contouring" are plastic surgeons and have performed thousands of cosmetic procedures. They have consulted with women like you, and understand the issues that are important to you. You’ll find that they answer many of the questions you likely have, including: - What type of implants are used--saline or silicone? - What size implant is appropriate for me? - Where are incision made? Where will scars be? - Is nipple sensitivity affected by the surgery? - What type of anesthesia is used? - Will I have much postsurgical pain? - What are the risks and complications with this surgery? The authors also cover other common body contouring procedures, including tummy tucks, and
liposuction of the stomach, hips, buttocks, highs, and knees. Dozens of before and after color photos help you further envision the potential results of cosmetic breast surgery. The book contains 88 color illustrations and photos, including dozens of "before and after" photos of women who have had breast augmentation and other procedures.

**Your Complete Guide to the Arizona National Scenic Trail**-Matthew J. Nelson 2013-11-18 Now, for the first time, Arizona visitors and residents will be able to set out on any part of the Arizona National Scenic Trail with a "bible" of the trail's twists and turns, its flora and fauna, and its geology. In an easy-to-use format, the book serves up the 800-mile trail section by section (43 altogether) so that day-hikers as well as thru-hikers can feel confident about the route and inspired by the magnificence of the scenery, wildlife, and diversity of terrain. Botany fans will relish the comprehensive descriptions of plant life among the trail's 13 microclimates from the South start at the Mexico/Arizona border to the North end, at the Arizona/Utah border. Geology aficionados will take note of the equally detailed descriptions of rock and the ground beneath their feet (or beneath their mountain bike wheels or their horses' hooves). Especially helpful are the descriptions of the 22 "gateway communities" that provide easy trail access and supplies along the trail's route from South to North. Overall, this new book will become a personal guide and irreplaceable source for any hiker, mountain biker, or equestrian heading for the Arizona National Scenic Trail-whether they intend to do a part of one section, or a weekend of two or three sections, or hike the entire trail over a period of weeks.

Hit Him Where It Hurts - Sherri Donovan 2006-11-30
You’re getting divorced. You want out or he wants out, but either way you’re tempted to bend over backward just to get it over with. The result: You get screwed. How screwed? Consider this: the average woman experiences a 45 percent drop in her standard of living after divorce; 45 percent of children living with a divorced mother live at or near the...
poverty line; only about 45 percent of custodial parents due child support payments receive the full amount. In Hit Him Where It Hurts, acclaimed matrimonial attorney Sherri Donovan shows you how to take the offensive in the bloody game we call divorce. With her take-no-prisoners approach, you can ensure that you will gain your freedom without sacrificing your health, your wealth, or your well-being—or that of your children.
