Enduring Intersections: Place(s) and Race(s) in Asian American Literary Works [Book] An Interethnic Companion To Asian American Literature

We introduce renowned writers and thinkers from around the world, including a diverse range of scholars, activists, and practitioners. This book examines the intersection of race, gender, and sexuality in contemporary literature, providing essential insights into the complex relationships between identity and representation. Through a critical reading of four Asian American women's novels, namely Maxine Hong Kingston, Amy Tan, Madeleine L'Engle, and Yun Ling, this reader offers an in-depth analysis of the ways in which Asian American women writers challenge traditional narratives and forge new possibilities for representation.
